ADDENDUM TO JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Thursday - 8 April 1976

X1 1. [] LEGISLATION Called Bill Hogan, Counsel, House Armed Services Committee, and discussed further his request that we prepare a clean bill amending our CIA Retirement Act incorporating the additional changes to H. R. 11088. Fifty copies of the clean bill were later delivered to Hogan. Hogan noted that Linda Kamm, Associate Counsel, of the House Budget Committee, called him and indicated that the effective date of the funding proposal will have to be made effective 1 October 1976. Hogan said this change can be made easily in the clean bill.

X1 2. [] LEGISLATION Together with [] 25X DD/Plans and Systems, OF, met with Bob Schafer, Jim Capra, and Bob Hale, of the Congressional Budget Office, and discussed the information and data which the Agency used in arriving at its cost estimate in H. R. 11088 which amends the CIA Retirement Act. They asked for an up-to-date actuarial study and will contact Ted Kroll, of the Treasury Department. They made clear that they will have to make a separate cost evaluation and their figures will undoubtedly differ from ours. Schafer said he had checked with the House Budget Committee people and H. R. 11088 is an open-ended authorization entitlement bill and will not require separate authorization legislation after it becomes law.

X1 3. [] LEGISLATION Picked up from Jon Holstein, on the staff of the House Committee on International Relations, a Committee print of the State Authorization bill.

X1 4. [] LIAISON Delivered to the offices of the Chairmen of the Senate Armed Services and Appropriations Committees, and the House Appropriations Committee, a Reserve withdrawal letter dated 7 April. The letter for the House Armed Services Committee was being revised.

12. (Unclassified - RLB) LEGISLATION Dr. Al Westphal, House International Relations Committee staff, belatedly returned my call to him of 7 April regarding mark-up by the Subcommittee on International Operations of the State Department Authorization bill. Dr. Westpahl reiterated what I already had heard on the matter of Senator William W. Proxmire's (D., Wis.) "gift" amendment from other staff people.

13. (Internal Use Only - RJK) LIAISON Received a call from Ernie Pozzi, on the staff of Representative B. F. Sisk (D., Calif.), who wanted to know whether we could provide him information on the present whereabouts of a [REDACTED]

14. (Unclassified - RJK) LIAISON Spoke with Melinda Murphy, on the staff of the Special Subcommittee on Investigations, House International Relations Committee, to make security arrangements for Agency testimony before the Subcommittee on Tuesday, 13 April. I also provided her with the names and positions of our witnesses.

15. (Unclassified - RJK) LIAISON Received a call from Jim Spirling, on the staff of Representative Guy Vander Jagt (R., Mich.). Spirling was looking for someone in the Agency, for an individual seeking his doctorate who is writing his thesis on the intelligence community, to contact. He added that the thesis will be favorable to the intelligence community and that the Congressman was hoping we could provide some help. After talking with [REDACTED] Coordinator for Academic Affairs, I talked to Spirling again and suggested that the individual direct any inquiries he has to our office and we will assist him as appropriate. I asked for the individual's name but Spirling did not have it and said he would let me know what it was.

[REDACTED] BRIEFING In the company of [REDACTED] OCI, met with Dorothy Fosdick, Richard Perle, and Charles Horner, Permanent Subcommittee on Investigations, Senate Government Operations Committee staff, for a briefing on the Cuban presence in Africa.

29. [REDACTED] LIAISON [REDACTED] OCI, and I met with Clark McFadden, Counsel, Senate Armed Services Committee, and briefed him on the current Syrian movement relating to Lebanon and I provided him an analysis of the Time Magazine article "How Israel Got the Bomb."

30. [REDACTED] LIAISON Stopped by to see Chairman Lucien Nedzi, Special Subcommittee on Intelligence, House Armed Services Committee, and in his absence from the city, covered with James G. Pyrros, Administrative Assistant, several briefings we are having with House committees this week. Pyrros mentioned that an Athens newspaper on 12 February carried an excerpt relating to Cyprus from the "Pike Committee Report."

31. [REDACTED] BRIEFING Met with Victor Johnson and Roger Majak, Subcommittee on International Trade and Commerce, House International Relations Committee staff, and provided them a copy of a prepared statement Agency witnesses intend to use to brief the Subcommittee on our role in export licensing. The staffers made the point that the Subcommittee might want to delve into the depth of our assessments and the extent to which such matters as diversion become intelligence objectives. I said I thought we could cover this adequately but obviously it would not go into details in the interest of protecting intelligence sources and methods. The Subcommittee's special interests were relayed to [REDACTED] office.
